

*Dr Justin Coulson  
writes and speaks about  
parenting and family –  
because nothing matters  
more.*

Struggling with his own family relationships, Justin returned to full time study in his late twenties where he earned first class honours and a subsequent PhD in Psychology so that he could learn how to be a better husband and father. Now the focus of his life is his family AND helping other families flourish – in that order.

Justin has written 6 books, and is a four-time bestselling author. He is an occasional columnist for the New York Times and appears regularly in all of Australia's major news outlets for television, radio, and print. He's a TEDx speaker and has worked with many of Australia's biggest brands including the Commonwealth Bank, Intel Security, ANZ, IHG, Club Med and many, many more. He has also served as a consultant to the Australian Government's Raising Children Network, and the Office of the e-Safety Commissioner, Life Education and others.

Justin lives with his wife and six daughters in Brisbane, Queensland.
